What Is Primerus?

Every lawyer in Primerus shares
a commitment to a set of common values
known as the Six Pillars.

Primerus is an international network of top-rated, independent law firms that have earned the right to display the Primerus seal of quality. Candidates for membership must have the maximum Av rating from Martindale-Hubbell, the source lawyers use to find other lawyers. Further, a law firm must submit to a rigorous evaluation which includes candid assessments from judges, fellow lawyers, current and former clients, bar associations, and malpractice insurance carriers. Firms must also show proof of their commitment to the exacting standards of the Six Pillars of Primerus quality: Integrity, Excellent Work Product, Reasonable Fees, Continuing Legal Education, Civility, and Community Service. And it doesn't end there. Primerus firms are audited annually to ensure they continue to be the "best of the best," year after year.

Together, Primerus law firms can be looked upon as one of the nation's largest law firms with scores of specialties and offices from coast to coast. For corporate clients, this nationwide scope simplifies the process of finding great lawyers in multiple jurisdictions. Because of their knowledge of the personal and professional qualifications of fellow members, Primerus defense attorneys are able to

refer corporate clients to other Primerus attorneys with confidence. No fees are involved; referrals are simply an added benefit of doing business with a Primerus law firm.

Working with independent, small to medium-size firms offers other advantages as well. Clients have ongoing access to senior partners offering depth of knowledge, years of experience, responsive service, a commitment to excellence, and reasonable fees.

After a decade of researching the nation's best independent law firms, Primerus knows where and how to find them. Search our online database or call us at 800-968-2211 to find a highly qualified lawyer in your jurisdiction.

What Is The Primerus Defense Institute?

Every lawyer in Primerus shares a commitment to a set of common values known as the Six Pillars.

The Primerus Defense Institute (PDI) is a collaborative endeavor engaging Primerus defense attorneys and corporate defense representatives for the purpose of lowering business litigation costs and reducing exposure to liability. Participating corporate clients are leaders in their respective industries. Participating defense lawyers meet the high standards of excellence required of membership in the International Society of Primerus Law Firms.

The PDI provides continuing legal education in the areas of liability avoidance and litigation management. Corporate defense counsel and their clients participate in an annual Convocation to explore, discuss and share best practices in reducing risk, handling claims, and defending lawsuits.

The Primerus Defense Institute is a valuable resource for corporations seeking outside counsel in distant jurisdictions. That's because the PDI alliance is a coast-to-coast network of over 600 of America's finest independent defense lawyers with expertise in nearly every aspect of corporate defense litigation. The Primerus Defense Institute makes it easy to find highly skilled, seasoned litigation counsel across the country. Search our online database (www.PrimerusDefenseInstitute.com) or call us at 1-800-968-2211.
